[A] // advise · strategy & advice

Advice you can act on. Whoever builds it._

Independent, vendor-neutral advice on data and AI: where to start, what to buy, what to stop, and how to govern it.

sound familiar?

> "We have a budget but no plan."

> "Three vendors, three different answers."

> "The project stalled and nobody knows why."

ways we advise

+ Data health check · 2 days
+ Data & AI readiness audit · 1–2 weeks
+ Data & AI strategy and roadmap
+ Tool and vendor selection
+ AI governance and usage policy
+ Second opinion on a proposal or project
+ On-call adviser, monthly

what you get

✓ Findings in plain language
✓ A prioritised roadmap: impact, effort, order
✓ Vendor-neutral recommendations
✓ Inputs for your business case
✓ A readout to your leadership team

how it runs

01 listen	02 review	03 recommend	04 read out
interviews	systems, data	roadmap	leadership

From 2 days (health check) to a few weeks (strategy).

a good fit if

→ You are not sure where to start
→ You are choosing between vendors
→ Leadership needs a plan before a budget

works with

We don't resell software, so our advice isn't tied to any vendor.

Vendor-neutral: we recommend what fits, not what we resell. PDPA designed in from kickoff.

Start with a free 30-minute fit check.

Pricing is scoped after the fit check, in writing, before any work starts.
