#	System / resource	Why we need it	Access level	Account for	Requested	Granted	Tested
		systems					
7	Code repository	Store pipeline code	Write		☐	☐	☐
8	Ticketing / support channel	Hypercare and support	User		☐	☐	☐

Ownership

All accounts, subscriptions, code and data belong to **{{CLIENT_NAME}}**. Cloud and licence billing goes to the client's account unless agreed otherwise in the SOW.

Removal

At the end of hypercare (or of the retainer), the client removes Datawazi access and we confirm in writing that no client data remains on our side.

Removed on	By	Confirmed by Datawazi
